**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance: independent claims 1, 10, 19 and 25 teach transmitting a prompt to a user to enter a SIC and zip code, determining a plurality of insurance carriers based on said prompts, transmitting and/or selecting a kill question associated with on at least one of the said insurance carriers, and determining at least a candidate insurance carrier by eliminating the at least one insurance carrier associated with kill question.
3. The closest prior art of record, Callen, does not teach determining a candidate insurance carrier based on a kill question. Therefore, independent claims 1, 10, 19 and 25 are allowable over the prior art.
4. Claims 2-9, 11-18, and 20-24, are allowed by the same rationale as well as the further limitations added by these dependent claims.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
